Rubrik

Software Engineering Winter Internship
Bangalore, India Office

Dear Hiring Team,

I am writing to express my strong interest in the Software Engineering Winter Internship at Rubrik. With a solid background in Information Technology and a passion for data protection and management, I believe I would be a valuable addition to your esteemed organization.

Background: My name is Prabhav Agrawal, and I recently completed my Bachelor of Technology in Information Technology from the Indian Institute of Information Technology, Lucknow, where I achieved an CGPA of 8.11/10. Additionally, I excelled in my CBSE Class 10th and 12th exams at Sunbeam English School, with a remarkable 9.4 CGPA in 10th and 89.6 in 12th class.

Experience: During my time as an SDE Intern at Microsoft, I had the opportunity to work extensively with TypeScript, React, and Machine Learning (NLP). Over the course of two months, I gained valuable hands-on experience in software development and honed my technical skills.

Achievements: I take great pride in my achievements in the competitive programming domain. As a **5 star** in Codechef and **Expert** on Codeforces, I have consistently ranked among the top participants in various coding contests. I have ranked under 500 rank in 7+ contests and under 1000 rank in 23+ contests in Codeforces.

Conclusion: I am confident that my technical problem-solving abilities and strong work ethic make me an ideal candidate for the Software Engineering Winter Internship at Rubrik. I am eager to learn from your talented team and contribute to Rubrik's success. Given the opportunity, I look forward to demonstrating my skills and passion for data protection and management. I hope to hear from you soon to discuss how I can make a valuable contribution to Rubrik during the internship.

Thank you for considering my application. I am excited about the prospect of joining Rubrik and contributing to its success. Please feel free to contact me at **prabhavagrawal7@gmail.com**. I am eagerly looking forward to hearing from you soon.

Sincerely,

Prabhav Agrawal
